## WORKSHOP OVERVIEW and PROGRAM OBJECTIVES

- This **FREE** one day workshop will provide participants with the most current information and skills necessary to be prepared for a pandemic or local disaster by:
- Understanding the basics of the Incident Command Structure
- Understanding the credentialing process thru WV REDI
- Understanding the learning management system thru WV TRAIN
- Understanding the role of the MRC in the Incident Command System
- Identifying key components of protection of self and others during a biological disaster

## ABOUT THE PRESENTERS

Noel Clarke is a nationally recognized emergency response educator, RESA 6 Instructor and first responder.

Carla McBee is the Director of the Wetzel County EMS and the Medical Examiner for Wetzel and Tyler Counties. She is a registered paramedic and a RESA 6 Instructor
